

# HEALTHSHARE DECISION GUIDE Discover the Power of a Healthcare Sharing Ministry

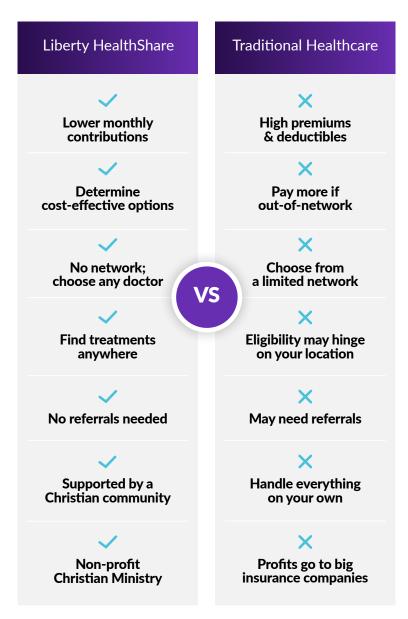

# WHAT IS HEALTH SHARING?

There are several terms used to describe health sharing. Some of the most popular are:

- Healthcare sharing
- Christian medical sharing
- Medical cost-sharing

# But make no mistake. Whatever you call it, health sharing is not insurance.

Healthcare sharing is when members choose to voluntarily share one another's medical expenses. It's for people who desire more affordable healthcare, want the freedom to control their care and share Christian values.

Liberty HealthShare is a non-profit 501(c)(3) Christian healthcare sharing ministry. We serve to only facilitate this mutual sharing. We direct your gifts to those who have eligible expenses.

## Hebrews 13:16

Do not neglect to do good and to share what you have for such sacrifices are pleasing to God.

NOTICE: This program is not an insurance company nor is it offered through an insurance company. This program does not guarantee or promise that your medical bills will be paid or assigned to others for payment. Whether anyone chooses to pay your medical bills will be voluntary. As such, this program should never be considered as a substitute for an insurance policy. Whether you receive any payments for medical expenses and whether or not this program continues to operate, you are always liable for any unpaid bills.

# ELIGIBLE SHAREABLE MEDICAL EXPENSES\*

Liberty HealthShare can help you save big on healthcare expenses. But as a community of health-conscious people, we have an ethical obligation to our fellow members. We must respect and care for our physical bodies and make wise choices to not place unnecessary burdens on those sharing with us. That's why only medical expenses that align with our Christian values are eligible for sharing.

- Wellness and screening appointments
  - Ancillary therapies
  - Physical and clinic visits
  - Home health care
  - TeleHealth visits
  - Medical testing
  - Ambulance transport
- 🗸 Urgent care
- Vaccinations
- Emergency care
- Surgery and hospital care
- Prenatal and maternity care

\*Restrictions apply, including pre-existing conditions. Not all expenses are eligible for sharing in the Liberty Rise and Liberty Assist Sharing Programs. See Sharing Guidelines for complete details.

# **INELIGIBLE MEDICAL EXPENSES**

Because our medical cost-sharing programs are voluntary and limited to amounts shared by members, not all medical expenses are shareable. As a community, we do not share expenses associated with unhealthy choices, voluntary/cosmetic procedures or those deemed ineligible according to our Sharing Guidelines.

- × Pre-existing conditions during the first year of membership
- X Maintenance medications and prescriptions\*
- X Dental/Vision expenses\*
- × Expenses other than accidents, acute illness, or injury within the first 60 days of membership
- X Medical expenses of \$200 or less in billed charges, unless otherwise noted in the Sharing Guidelines

\*While maintenance medications and prescriptions, and dental/vision expenses are not sharable, Liberty HealthShare members enrolled in the Liberty Rise, Liberty Unite, Liberty Connect and Liberty Essential Sharing Programs have access to a discount program for these expenses. See Sharing Guidelines for complete details.

# FINANCIAL INTEGRITY & ACCOUNTABILITY

We seek to build a spirit of public trust in all that we do by earning the trust of our members through transparency and honesty, and by ensuring that our members fulfill their obligations to be truthful and honest with each other.

# **COMMON VALUES**

All members pledge to abide by a Statement of Beliefs and to truthfully disclose information about themselves both when they join and when they submit medical expenses to be shared by the Liberty HealthShare community.

# **PROPER USE OF FUNDS**

We use state-of-the-art technology to verify medical information and to ensure that funds contributed to members are used exclusively to pay shared medical expenses. We track all monthly assignments and confirm that members submit their monthly share amounts.

# **INDEPENDENT VERIFICATION**

Our Board of Directors is the final authority that oversees the entire organization. Our Board Members are independent, non-compensated decision makers who follow a strict conflict of interest policy.

#### **Annual Audit**

Liberty HealthShare is audited annually by an independent outside firm to ensure proper use of funds.
