Grace and peace to you!

I am thrilled to share the next iteration of Liberty HealthShare's Sharing Hearts Fund: Sharing Hearts for the Church.

We want to equip and empower your church to live out our communal call to further the Gospel, serving the Kingdom of Heaven in our local communities. Liberty HealthShare adamantly believes in being a force for good in our region and in our world, extending beyond our operations as a nonprofit healthcare sharing ministry.

Sharing Hearts for the Church has \$100,000 in grant funds available, and your church can be one of 20 recipients of a grant up to \$5,000. This funding opportunity is the most recent way we hope to make a positive impact in our region as we empower you to serve those in need in your community.

You do good for the Gospel, so let's do some good together!

Enclosed in this mailing you will find a flyer, a quick reference frequently-asked-questions page, an explanation of eligibility, and a paper application. You can also visit www.libertyhealthshare.org/sharing-hearts/the-church for more information and to fill out an online application.

Applications are due by October 1, 2026 at 5pm.

We hope you find these resources helpful and encouraging, but should you have any additional questions you can email us at sharinghearts@libertyhealthshare.org, or contact our Sharing Hearts for the Church coordinator, Joshua Grubbs, by calling 855-585-4237 ext.1969.

This is an exciting opportunity, and we hope to receive your application soon!

In His Service,

Dorsey Morrow
